## How to Use the Fragrance Machine

*Fragrance Machine*

For your car's interior, the fragrance machine can dispense aerated deodorizer (Febreze Auto) or fragrance with either a Pina-Colada or New Car smell.

## Instructions

**Febreze Auto** is specially designed for use on fabric surfaces of your car interiors. Its unique formula contains low levels of scent, making it perfect to use in your trunk, on infant seats, car seats, and floor mats.

**Instructions:** Select Febreze, insert coin and spray directly on fabric surfaces (**not for leather or vinyl**).

**Fragrances (Pina-Colada or New Car).** Adds a fresh scent to your car's interior. **Instructions:** Place gun under front seat, select Pina-Colada or New-Car, insert coin, spray onto carpet under the seats.
